

Clarkson Music Theatre's Production of

hairspray

• THE BROADWAY MUSICAL •

Welcome to the 60's" the world of Tracy Turnblad in 1960's Baltimore. Let us take you back to the era of vinyl records, lively dances and lots of Hairspray! Clarkson Music Theatre is very excited to present the Mississauga premiere of this Tony Award winning musical. Our cast is both energetic and enthusiastic and together with our directors have worked very hard to bring this incredible show to the Meadowvale stage.

"You Can't Stop the Beat" as Maria and Renee join CMT for their first time as director and choreographer; Thanks to Jenny our Music Director, Glenn our stage manager and all the crew. It is always a pleasure to produce with Christine who worked so hard and kept us all going. Thanks also to Nick for all the help.

Throughout the year the board has been a constant source of support so I extend my thanks to each of them for all they do for CMT. But ultimately, "It Takes Two" to put on a show: you (our audience) and us (Clarkson Music Theatre). We thank you for your ongoing support as we strive to bring you the best in Music Theatre.

So prepare to meet "The Nicest Kids in Town" and "Timeless" characters like Edna, Wilbur, Motormouth and many more interesting Baltimore residents.

Have a wonderful evening and enjoy Hairspray!

Sincerely

Rita Ferguson
